Thanks Eric for the agenda. Lets just discuss the SLERA/eco risk since the removal is another issue with a draft AOC that is under review now, includes legal issues, etc. See you tomorrow.

Subject: Draft Agenda for Tomorrow's Meeting

Hi Gary –

I hope you had a good holiday. I am looking forward to our meeting tomorrow. It occurred to me that it might be helpful to have an agenda for our discussions, so attached is a quick draft that I put together. As you know, the primary focus of the meeting will be on the SLERA and the next eco-risk steps (Items 4 and 5 in the agenda). Items 1-3 are just included as brief background information. Please let me know if you have comments/revisions on this. I will bring copies to distribute at the meeting.

Thanks.
